Commissioner for Patents

Dave Willse Primary Examiner Art Unit: 3738

The Amendment of August 1, 2003, likewise fails to comply with the requirements set forth in the Notice of Non-Compliant Amendment mailed on July 16, 2003, because it fails to provide a copy of claims 216-221. The time period for response has **not** been reset but continues to run from said mailing date of said Notice (MPEP 714.03). An extension of time under 37 CFR 1.136(a) will thus be necessary.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Dave Willse whose telephone number is (703) 308-2903. The examiner can normally be reached Monday through Thursday and often on Friday. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Corrine McDermott, can be reached on (703) 308-2111. The fax phone number for the organization where this application or proceeding is assigned is (703) 872-9306. Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is (703) 308-0858.
